Chalet Melodie is an official partner of the Tyrolean Zugspitz Arena (TZA) Children's & Youth Programme, available annually from 29 June to 4 September.

Thanks to our partnership with the TZA, our younger guests can take part in the available adventure programmes free of charge. The activities are run by experienced members of the Bergsport TOTAL team.

Chalet Melodie is electronically registered as a partner accommodation for the Children's & Youth Programme on each guest card. The guest card therefore serves as the children's and teenagers' complimentary admission pass to fun, games and adventure.
